TWO STUDS FOR HIRE SPILL ALL

I don't feel ashamed or prostituted or emasculated or anything like that," says Mark, a handsome hunk in his late 20s. He sits in a cushy apartment in Ales, near Century. The apartment is where he lives, but it isn't his. It's paid for by a successful businesswoman in her mid- 30s. The woman is married (to her business partner and father of her children), and meets Mark at the apartment whenever she can, usually twice a week.

"We met and fell in love. I used to be a male stripper," Mark explains. The bulge in his briefs leaves no doubt as to how impressive a stripper he must have been. "I got tired of bumping, grinding, smiling at the ladies with their mouths hanging open. To make a long story short, I haven't found work these last eight months. But 'Sherry' gives me an allowance, enough to keep the place up, and for bills and my clothes or shoes.

"I know what you're thinking: He's a lazy bum, good-looking but shiftless, taking advantage of a woman. Bullshit! If Sherry and I were in reversed situations, she'd be my mistress and I'd be paying the bills till she found work, and she'd be waiting for me to get a divorce. The age difference doesn't show, even though she's eight years older. The real difference is that Sherry's happily married, her kids are teens, she doesn't want a divorce, and I don't want marriage. So this is cool."

What about work? If Mark found real work,

wouldn't he now be too spoiled to do an honest day's worth? He frowns. "Apparently you've never tried housework. This may not be a giant apartment, but keeping it up takes work.

"I also like to keep in shape, so I play squash and swim every day. And I look for work, plus I have to be sort of on call for Sherry if she drops by. And when she does, I like to fix something special to eat. And of course, we fuck like rabbits," he explains nonchalantly, adding, "Sherry's pretty insatiable; we make up for the days we don't see each other...."

Sherry doesn't mind Mark's talking (he probably wouldn't talk, though, without Sherry's consent). But Sherry is touchy about her career and "being recognized in public," so she declined an interview. She did reveal that several of her girlfriends know about her ongoing affair; one of them has a lover older than herself, whom she helps support since he stopped getting bookings as a model. But I did get to talk to another woman with a stud for hire. Her real first name is Ursula. She is a self-employed artist in her early 30s, with a lush figure and a pretty face.

"Jeff and I got introduced at a party, and we got to like each other after talking a bit. He moved into my place and stayed a week before we had sex I had houseguests, and we were getting it on. Jeff and I got along sexually, but we couldn't live

B073

B04-BLAIR

together. So he has his place (which he pays for) but I give him gifts. I'd never pay a man for sex, and I don't need to."

Then why does she need to give him gifts?

"Because every time we're in bed, he gives me so much sexually. It's like he showers me with gifts. He does all the performing, won't let me do a thing. He's big into eating pussy, which I prefer to straight sex. I used to have a girlfriend who did it fantastic but Jeff does it even better, what with all the practice he's had on me (or in me).

"Anyway, it's sheer heaven. I like to suck cock now and then, but Jeff's pretty big. And we both agree it's better if he saves all that for where it really counts. My pussy is my sexual nerve center; I don't care much about foreplay, just lips and a dick or fingers in my cunt.

"Please excuse the frank talk. I mean, whether a 'mistress' is a dude or a chick, and whatever they say about love and romance, it's basically a sexual thing."

None of the men I spoke with referred to themselves as a "male hooker." Jeff said, "'Lover' is the only word I can think of. Hooker isn't even a good word for a younger female lover because it really means a female boss, like a servant's mistress. Besides, it's degrading for a man because it implies we're like hookers. I've heard about male hookers, and it's okay for them but definitely not for me. Being a lover is between two people, and

the gifts are just a bonus. Ursula's a great girlfriend, and I love having sex with her; I don't do it for gifts."

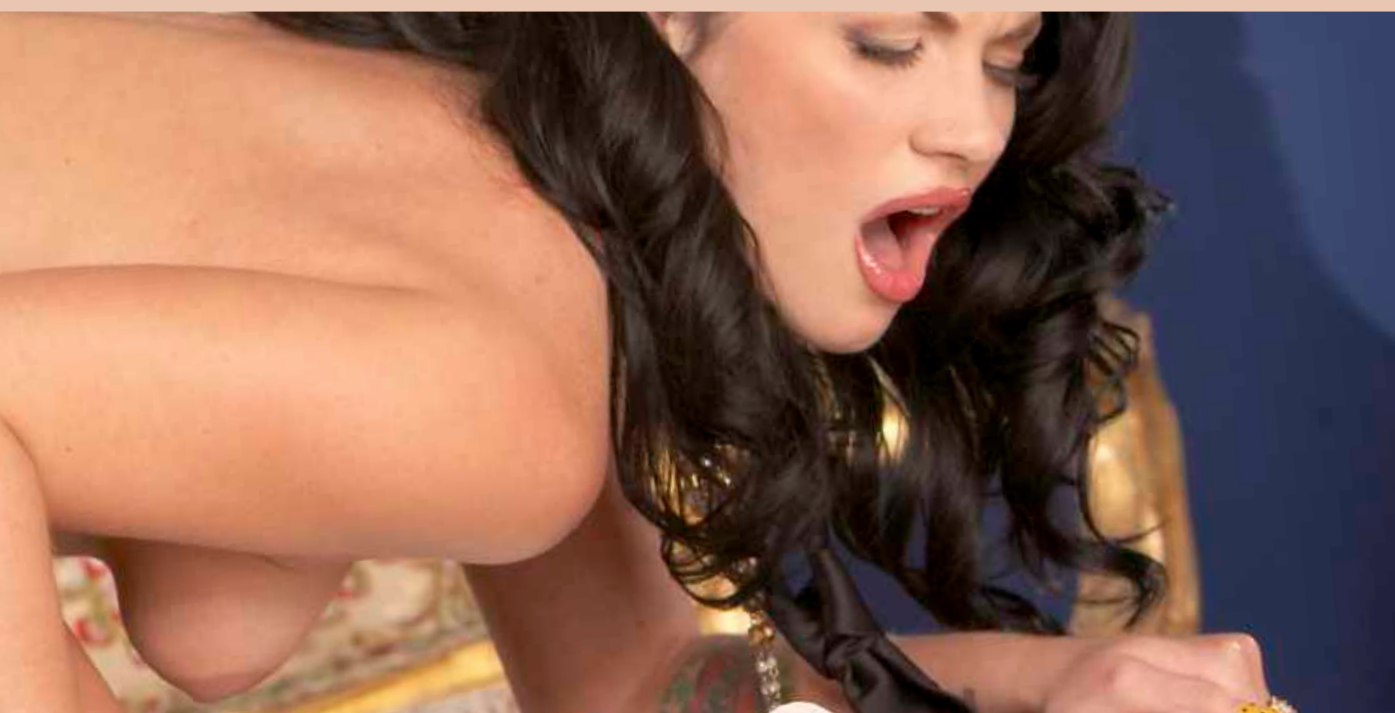

Unlike Mark, Jeff will not accept money, which he feels would taint the relationship. But he does accept its equivalent, in jewelry, clothing, household items, and weekend vacations in Cabo. Does he feel this is taking advantage of Ursula? "No," he replies. Why? "She's got plenty of cash, and I don't." Says Mark, "Money or gifts, travel or tickets to a hit musical, it's all the same. It's just temporary. I'm not lazy and someday, when I'm earning big, I'll do the same for Sherry, or whoever I'm with."

Studs, which these guys are, don't seem quite as romantic as mistresses. Mark feels "It's good for as long as it lasts. It's sexual, and it keeps me cushy. I don't consider myself a kept man but you might, and that's okay. What does 'kept' mean, anyway? Financial arrangements are personal and flexible, and the truth is these days a woman earns more than the man."

But what if the man isn't earning anything?

"It's okay because I've always had this little-boy complex. I like my female companions to baby me—both in and out of bed. I always had this fantasy of me being real coy and innocent and being seduced by an older, beautiful woman.

"My fantasy, which Sherry and I sometimes act out, is that I'm sleeping in old underwear and she

storms in, mad at me for something I'd forgotten to do. She tries to wake me up but I've taken pills, and so she smacks my ass and then starts tearing off my clothes till I'm naked. Then she grabs me by the cock and shakes me awake. When I come to, she's all over me; she shoves herself onto my cock and fucks me and squeezes me and pinches me, and gives me the roughhouse treatment."

Does Mark always go for older women? "Not every time, but older women have more cash. And if they're married they want sex with younger, more energetic, creative men. But if a woman acts mature and she's loaded, that's fine with me too."

Jeff feels age doesn't matter but, he says, "I have a history of women being charmed by me and making offers to me. Why not? If a girl can be a sex symbol, why shouldn't I? After all, those chicks just lie there and sometimes cook the married man breakfast. I do most of the work in bed, and a man can't just be passive and accept whatever fate hands him. I like an equal relationship, but it takes help to keep up a certain style of living."

Neither of these guys will reveal whether he's always been kept, but clearly neither man is the least bit embarrassed or self-conscious about their situations.

But what of his own sexual pleasure? Is Jeff free to make any demands of his partner?

"Sure. I'm no second-class citizen. But I know I don't get my way every single time. Like, I love to fuck up the ass. But Ursula's not into that much so I wait, and like every third or fourth time, if I'm real sweet and everything, she'll let me. It's a normal give-and-take relationship, like most of them."

Jeff and Ursula are about the same age. Is sex with her better than, say, an older woman? Jeff explains that at the office where he worked in his early 20s, he took up with a female superior who was younger than he was: "She was a ball-buster, expected me to eat her pussy while she sat in an easy chair and smoked, with nothing but her jangling, noisy bracelets on. But once I had sex with a lady twice my age, and she was real cool, a real lady, and I could tell when she came. It was terrific for me, and she was appreciative and nice."

"With Ursula, she's more independent and she bangs other people. I don't, usually; I like the idea of fidelity, but she's an artist and bisexual, so she can't hack that. Still, I'd rather keep up my energies for one woman, for real special sex. I do think a bisexual woman brings more gusto and imagination to bed with her though."

Does Ursula have unusual preferences? "Ursula sure does, and we're sort of gourmet on oral sex. It's not everyone's bag but I dig it, and she'll go for anything that involves eating her hungry pussy. Also, Ursula can control her vaginal muscles something incredible. When I'm inside her, I swear

she can manipulate my cock around and squeeze on a particular part of it. We're both real sensitive to touch and pressure and feelings."

What kind of sex does Mark have with Sherry, who is not quite as uninhibited as Ursula?

As he reveals, "Fucking, fucking, fucking, and lots of foreplay. Kissing, licking and chewing on her tits—the usual crazy things a housewife misses after the first few years of marriage. I don't want to talk much about Sherry's personal life, but her husband's a real go-getter and she is too. She's always tried to keep up with him, so she won't get bored. But in bed, she says, it died years ago.

"Sex isn't everything; not enough to break up her marriage. But it sure counts when you get down to it. When she met me she thought I was a gigolo or something, but I made it clear. She's faithful to me—except with her damned husband, about twice a month, for their own self-images—and I don't screw around. I feel a big debt to her, not fiscally but physically and spiritually. We share a lot; not so much in terms of time, but our moments together are special. I'm always going to have a soft spot for Sherry."

But Mark also admits that once Sherry gets into her 40s, he may consider finding a younger woman. Isn't that cruel and sexist? "Yeah, I guess," he admits.

We know what makes it special for Sherry (her handsome, vigorous, younger man). But what makes it special in the sack for Mark?

"It's a thrill that she's successful and she's interested in me; that she's willing to help pay my way; that I don't have to go out and work for my cool apartment. It's also a turn-on that she's married and her husband doesn't know about me and is nowhere as good at fucking as I am. All your success can't buy good equipment, or the means to use it well. I get the best part of her but I'd never in a million years want to be her husband."

But what, specifically, do they do in bed that turns him on? "Okay. She sits on my face. This beautiful, sexy, ambitious woman sits on me, and while she does she jerks me off. So that's one thing I like and she must like. Actually, I'm kind of shy to tell all. I'm no hustler or hooker, you know."

Ursula has had kept a man before: her ex-husband. "He fell into bad times and we rekindled our flame—sexually—and I helped him out. I had to stop when I saw he was getting too used to it. A woman doesn't mind it for a while, but no one likes a parasite—except in the beginning, when he's exciting and fresh and a sexual wonder.

"Don't ask me if Jeff is a parasite; I don't know yet, and at this point I don't care. Nothing's permanent, it's all for fun, but it's far more real and personal than picking up some dude off the street and paying him for a quick lay: I think having my man on call is a brilliant compromise between being stuck with a live-in lover or a husband, or the emptiness of a trick or a series of one-night stands. This is exciting for women."

Brooklyn

Looking absolutely ravishing sitting on the sofa, Brooklyn couldn't decide if she wanted to go out or stay in. Her decision was made for her when her man entered the room cock out and ready for some action. Taking the whole length into her mouth, she blows him till he's slick and rock hard. Then she slips him into her pretty hole, gasping at the size of it. Their finale is quite mouth-watering.

Chintya is looking for a big dick to help her forget all her troubles for an evening. But no such luck tonight. Her solace is found in her imagination — and her fingertips. Though not the best substitute for a nice hard cock, they do know their way around her all-too-familiar lady parts.

*As I was cleaning up one afternoon a couple of months ago,
I came across a small diary that I'd never seen her use.
I started flipping through it out of idle curiosity...*

My girlfriend and I are super competitive. We came together playing games, insulting each other, and psyching each other out. Even today we have regular game nights. A few months ago, we were chilling and enjoying our date night when she suggested strip poker. It was something I'd never tried before, but I'd be lying if I said I hadn't fantasized about it.

Everyone knows how strip poker ends, and when she suggested it, I couldn't help but wonder if I'd lose on purpose just to get to that happy ending. But she had an answer for that: The game would keep going until we were both naked, and she said the dice would decide what would happen to whoever was undressed first. I wasn't sure what she meant behind that wicked smile, but it was enticing in that way that she knew would make me agree to anything.

I agreed, and she just kicked my ass. I'd already lost my socks, shirt, undershirt, and belt before she finally won my first hand and forced her out of her shirt, revealing her curvy, pointy boobs behind a black lace bra that made me curious if she had planned this whole night.

It only took one more hand before I was down to my underwear. She took enough pity on me to let me win and get her bra before she came back and quickly got the last of my clothes. So, I was naked while she still had her pants and panties to go. I thought I might have

her on the next hand, and my dick got excited thinking we were almost there. But she had me again, and now that I was naked, she pulled out a set of dice and a long chart from a side table. A fake-pity smile crossed over her before she rolled

letting her boobs fall in front of my face, just out of reach. I thought she was going to kiss me, but her head moved away, traced down my body, and toward my excited dick leaving me wondering what she was going to do.

the dice and looked over her chart, dragging out the moment and making me nervous. She told me to get on the floor and seemed to enjoy my confusion, flashing that same lustful smile that got me into this position in the first place. She took her time moving in my direction,

She opened her mouth and teased my shaft with her warm breath before she lowered her mouth to nibble the tip of my cock teasingly. She was there only for a few seconds and then pulled back up with a grin. Then, as she trotted back to the table with a self-satisfied

smirk, I watched her boobs bouncing against her chest, feeling the surge of lust that always captured my heart.

I followed her back to the table, quickly losing another hand. This time, the dice told me to lick her nipples, which I did happily until she told me time was up. As I returned to my seat, I grabbed her dice chart and looked over it. I was surprised by some of the things she'd come up with, fantasies and positions even I'd never imagined!

I snatched up the dice with a wicked smile to match hers. This game was more interesting than poker anyway! With a look, I rolled the dice and showed her the total. She nodded as she looked at the chart, playing along as I led the way back to the bedroom. She removed the rest of her clothes and I lay on the bed while she stood over my face. Slowly, she did the splits, lowering her pussy toward my face. I stuck my tongue out and started jacking off as she found my tongue and started riding my face. My tongue darted in and out, moving in rhythm before she lowered her face toward my dick. We slid into a 69 until I heard the dice rolling on the nightstand.

She pulled away and gave me a glance and a wink before pulling a strap-on toy from the nearby drawer. With barely enough time for me to see what she was doing, she rolled me over and started eating me out as she put the toy on. When I was lubed up, she slid the toy deep into my ass, moaning at how it made me squirm. It was a rush of pain and pleasure that felt even better as she pressed her flesh into mine, her boobs into my back. She took her time, letting me enjoy it before pressing the dice into my hand and letting me roll. Glancing over at the result, she leaned in with a passionate kiss on the neck. "Your

turn," she told me, rolling over on her stomach.

I rolled her ass, and she was a sport letting me return what she'd just given me. I always loved the tight feeling of her back hole, and she quickly arched her back, moaning for more. By that point, it didn't take me long to load up her hole and collapse into bed next to her.

Since then, we've abandoned most other games to let the dice guide us, and the new competition is to see who can come up with the best roll... and who can twist the results in the most creative way.

he wants some

My husband and I have been together for five years – we are happily married, and for the first 3 years of our relationship enjoyed fairly conventional sex. But in the last year we dug a little deeper and realized we both have fantasies that

we have left unfulfilled.

Last week my husband took me out to dinner at a nice French restaurant. While we were getting dressed he told me he wanted some fantasy play, so I put on a short, tight skirt with tights, boots and a sweater. The sweater was the type that most would wear with an undershirt – I did not. It was cold, but the air was almost refreshing on my bare nipples that poked through the holes in the sweater.

We enjoyed our dinner, but about half way through our meal, I saw his face change. He looked at me like he wanted me, no needed me; it's the look that makes my stomach tighten up with anticipation. He told me to flash him, and I did. I was facing the bar, the bar tender definitely saw, but I did not notice if anyone else did. My heart was beating fast, I felt like a slut, but looking into his eyes, I didn't care – his look said that I am his slut, and he wants people to know.

He told me to do it again, but for longer. I did, and noticed our waitress saw me as she was bringing over our check. She was a cute brunette about my size, with bright blue eyes and a big, round ass for her frame. I was highly attracted to her, and stroked my nipples while holding her gaze. If she wasn't scared, I was going to invite her to come home with us - but when she handed my husband our check

prepared for his decision. We were parked in a parking garage on the first level, from the car you could see the entrance to the parking garage, office building windows and the street.

He looked at me, bit his lip, and tore off my skirt. He pushed me down to my knees and forced me to suck his cock. I have come to love sucking my husband's dick - I love sensing his body react, feeling

he was pounding into me, and I heard a car coming. Neither of us wanted to stop - in fact the idea of someone seeing me bent over by my gorgeous husband turned me on even more - I started to moan. He was stroking it so well - I busted all over him right as the car went by. My husband started to stroke even harder, pinching my nipples, saying, "That's my girl, show them how much you need my dick. He saw you baby, he heard you moaning, he saw your ass, he saw me inside of me. Is that how you like it?"

This went on for a couple minutes, and as I felt another orgasm building within me, I couldn't hold it off anymore, I begged him to let me cum. He said,

"Are you going to cum on this dick? Cum with me."

As usual we time it perfectly - as I felt my world shatter in waves of pleasure around us, I felt his hot cum shoot into me, relieving the tension even further. My orgasm lasted for a couple minutes. I was so spent by the end of it that he had to pick me up and put me in the car.

When we got back to where we were staying, he made me strip in the elevator and finger myself. By this time, my clit was so hard and swollen from busting twice, it almost hurt to play with it - but pain makes me wet to the point where it runs down my leg.

Two shocked people walked into the elevator while I was doing it, and I didn't stop. He didn't even have to tell me to keep going. I was ready for round two!

- Leticia, in the elevator!

she avoided me and wouldn't speak to me. Clearly she was uncomfortable, and not open to the idea.

My husband paid for the meal, and ordered me up, he was clearly ready to go, when we stood up, I went to adjust my skirt, and he ordered me to stop. We walked out of the restaurant with my skirt riding up high enough to see the line of my pussy through my tights, my nipples pushing through my sweater and my husband's cock growing under his pants. I was already wet, shaking with anticipation.

I love when he takes control, I never know what he's going to do next, or tell me what to do next and the anticipation makes me so wet. As we were walking to the car, I had millions of possibilities running through my mind, but was not

his cock push harder and harder against the back of my throat. He loves to make me choke and he did it then, and for a minute I was afraid my delicious dinner would come back up, but it didn't.

Suddenly he picked me up and bent me over with my hands on the car. There's something I should explain - my husband is 6' 2", and I am 5' 3". He weighs 250 pounds, all muscle. I weigh about 110. We look great together, and the upside to the size difference is when he decides to throw me around, there is absolutely nothing I can do.

When he bent me over, I had no choice but I wouldn't have had it any other way. I love it when he hits it from the back, because I can feel his cock in my stomach that way. My naked ass was in the air, and

The office party ran late. Vanda and David almost talked the day away. It's barely evening, but the drinks had settled them down and loosened their inhibitions. Now, the house was empty except for the two of them and their desire for human company and compassion. So they decided to fuck the rest of the day away!
